COMPLETE AND PROGRESSIVE

The ABCD type of ConSurvey directory was originated by Robert Morton Baldwin and Heber Page. While many publishers have been content to rest on their laurels, issuing the same type directory used fifty years ago, the Mullin-Kille and Baldwin organizations have led the way to the production of an up-to-date ConSurvey directory to meet modern selling and credit conditions.

Newspapers, chambers of commerce, merchants' associations and individual business concerns are invited to write for particulars concerning this type directory service. In the future, as in the past, Mullin-Kille and Baldwin ConSurvey directories will stand for the highest ideals in public service.

The information herein contained was taken by trained enumerators in a house-to-house canvass of the city and adjacent territory and checked with material supplied by employers. The publishers offer it as the most reliable information available but do not assume any responsibility for errors.

FIVE DIVISIONS OF THE BOOK

The principal divisions of the Mullin-Kille Directory contain the following information:

1. THE PREFACE contains historical and civic information with photographs of general interest.
2. THE BUYERS' GUIDE and CLASSIFIED BUSINESS DIRECTORY SECTION contains display information concerning the leading business firms of the city, announcements of churches, clubs, lodges, associations and schools, and the names of all business firms, professional men and women and non-profit organizations, properly classified, with the names of distributors of national brands of merchandise.
3. THE NUMERCIAL TELEPHONE DIRECTORY contains telephone numbers arranged in numerical sequence.
4. THE HOUSEHOLDERS' DIRECTORY AND STREET TELEPHONE GUIDE contains a complete directory of streets and avenues, properly located, gives the names of all householders arranged as they come upon the streets and avenues, indicates ownership of property, and gives the telephone number of each house.
5. THE RESIDENT DIRECTORY AND COSMOPOLITAN TELEPHONE DIRECTORY contains most of the data concerning the individual. The wife's name is given in parentheses, and the number of dependents under 18 is shown as well as the ownership of homes. This is followed by position, place of employment, home address and accessible telephone numbers.

Explanation

All persons over 18 years of age living in the community are listed.

The wife's name is shown in parentheses after the husband's as follows: Smith Robt R (Mary L).

The number of children under eighteen years of age is shown after the wife's name as follows: Smith Robt R (Mary L) 3.

In the resident directory home ownership is designated by Ⓗ as follows: Smith Robt R (Mary L) 3 Ⓗ. Renters are shown by the omission of the Ⓗ.

In the householders' directory ownership is shown by the same designation as follows: 210 Main Smith R R Ⓗ.

In the case of a natural widow this fact is shown with the name of the deceased husband in parentheses, whenever possible, as follows: Smith Mary L (wid Robt R).

The occupation and place of employment are shown as follows: Smith Robt R (Mary L) 3 Ⓗ clk Hub Clo Co.

The residence of each person is shown by "h" denoting householder or head of a family and by "r" denoting other persons in the home. Only one person in each home is listed with an "h". Therefore, a circular mailed to each householder marked "h" will reach every home in the city.

Married women engaged in some responsible occupation are listed individually in addition to their regular listing with the husband as follows: Smith Mary L (Mrs Robt R) bkpr Hub Clo Co r 210 Main.

The words street and avenue are understood.

Persons living outside the city limits and receiving their mail in the country are marked RD.

Telephone numbers are designated in the resident directory at the end of the line with the designation 🔔 as follows: Smith Robt R (Mary L) 3 Ⓗ clk Hub Clo Co h 210 Main 🔔123-4567.

In the householders' directory the telephone number of each house is given at the end of the line as follows: 210 Main Smith R R Ⓗ—🔔123-4567. In this division of the book each street is listed alphabetically and each house on the street is listed according to number. All street intersections are shown at the proper places with the names of the cross street. In case there is no telephone shown the nearest telephone on the street may be found.

In the numerical telephone directory the telephone numbers are listed in numerical order.

In the business directory and buyers' guide the various business and professional firms are arranged according to their line of business and merchandise sold. Nationally advertised brands are designated with a ★. For example under the heading automobiles will be found the following classification: ★FORD—Jones Mtr Co 110 Elm. The buyers' guide carries the printed message of the city's leading business and professional firms.

This directory contains all the regular departments of the modern city directory and many features used by no other publisher. It shows the exact population of the city and environs at the present time.

Roxboro, North Carolina

BY THE ROXBORO AREA CHAMBER OF COMMERCE

●

INTRODUCTION

The City of Roxboro is located in the north central area of North Carolina. It is the county seat of Person County, which was formed from the adjoining Caswell County in 1791. The county was named in honor of General Thomas Person who served as a Revolutionary patriot and trustee of the University of North Carolina.

Roxboro was named for Roxborough in Scotland and founded when the temporary seat of the county was moved from Payne's Tavern. The name Roxborough was changed to Roxboro in 1833.

U.S. Highways 501 and 158 and State Highways 57, 49 and 157 serve the community. Interstate 85 is 25 miles south of Roxboro and has good access from the Roxboro area.

Within an 85-mile radius are seven of the 12 largest cities in North Carolina. The combined population of these seven cities approximates 400,000 people. Within a 20 mile radius of Roxboro there are 38,900 people.

AERIAL VIEW OF ROXBORO, NORTH CAROLINA

Roxboro is within 45 minutes of the Raleigh-Durham Airport and 30 minutes from the Danville, Virginia airport.

Highway distance to nearby cities: Durham, 30 miles; Raleigh, 55 miles; Greensboro, 62 miles; Danville, Virginia, 29 miles and Lynchburg, Virginia, 84 miles.

STATISTICS

TOPOGRAPHY: Roxboro and Person County lie in the Piedmont Province of North Carolina. The terrain around the city is generally rolling and the elevation of the community is 722 feet above sea level.

CLIMATE: The annual average temperature at Roxboro is 58.7° F. The January average is 41° F. and the July average, 77° F. The annual average precipitation is 41 inches and average snowfall is 7.5 inches.

POPULATION STATISTICS: According to the 1970 census, Roxboro has a population of 6,775 and the 1960 census reported 5,147.

Person County has a population of 25,914 according to the 1970 census, with 14,500 residing in the Roxboro Township.

PERSON COUNTY COURT HOUSE

MUNICIPAL BUILDING
City Hall, Police and Fire Departments

Miss Rama Williams, Clerk of Court, is swearing in the Person County Commissioners from left to right: Bennie L. Bradsher, Chairman; Ronald Dunevant, Sam Shotwell, Curtis Bradsher and Ralph Lewis.

GOVERNMENT: The governmental functions of Roxboro are vested in a City Manager, Mayor and a five-member Board of Councilmen. The City Manager is appointed for an indefinite term by the councilmen, who, in turn, are elected at large for terms of two years each.

Both the city and county governments are progressive and have continuously demonstrated a favorable attitude toward industry and industrial development.

FIRE PROTECTION: The Roxboro fire department, operating from one station, is manned by nine full time and 34 volunteer firemen. Equipment includes five fire engines and complete emergency and first-aid equipment.

Roxboro and sections of the community are served with six, eight and twelve inch water mains carrying 60-65 p.s.i. residual pressure at hydrants.

HEALTH FACILITIES: Person Memorial Hospital, owned by the citizens of Person County and located in Roxboro, has a 79-bed capacity. This modern medical center is equipped with the latest laboratory and X-ray facilities, cardiac unit, and completely staffed with resident physicians and specialists. Private medical and dental needs of Roxboro are cared for by 11 medical doctors, seven dentists and two clinics.

Roxboro is 45 minutes from the South's major medical center. Located at Durham, North Carolina are Duke Hospital, which is part of Duke University, Watts Hospital, and, also, the Veterans Hospital. Chapel Hill, North Carolina, the home of the University of North Carolina, has the University Medical Center. All of the above facilities are available to the residents of Roxboro.

Churches: There are twelve churches in Roxboro, representing practically all faiths. The principal faiths represented in the area are Baptist, Methodist, Catholic, Presbyterian, Episcopal, Church of God, Jehovah's Witnesses, and Church of the Latter Day Saints.

The nearest synagogues are located 29 miles way in Danville, Virginia, and 30 miles away in Durham, North Carolina.

RECREATION AND CULTURAL: Through concerted efforts of the community and its civic clubs, Roxboro is well provided with recreational opportunities. Nearby Chub Lake has been equipped with picnic areas and offers both boating and fishing. The Carolina Power Lake, constructed by Carolina Power & Light Company as a cooling reservoir for its steam electric generating plants, has a water surface of some 3,750 acres, is eleven miles long, and has more than 120 miles of shore line. The water level of the lake has very little fluctuation as the water is pumped from the lake, heated, used, and returned to the lake via cooling canals. The rolling hills and calm waters are beautiful to behold. Swimming, boating, fishing and boat racing are part of the lake activities. We have a 65-acre recreation park complete with 57 campsites. Over 200 homes have been built on the lake. Property and lots are for sale, and the shore line of the lake can be leased on annual terms at nominal fees. The 1965 session of the North Carolina General Assembly established a five-man Authority to govern the activity and development of the lake. The Authority operates under the name of the Person-Caswell Lake Authority, and it has complete control of the lake area including the ten foot elevation strip bordering the entire lake. Full time lake policemen are employed by the Authority, and the entire lake area has been zoned to provide for orderly and uniform development. Fishing at our new lake has been excellent. One must visit the Carolina Power Lake to appreciate its beauty. The huge Kerr Reservoir, 40 minutes from Roxboro, has 300 miles of shore line and offers excellent recreation for the area.

Roxboro has one public golf course, known as the Roxboro Country Club, with a new clubhouse, and within 30 miles there are six other golf courses. Public recreational facilities include two parks, three playgrounds, two picnic areas, one theatre and one drive-in, two gymnasiums, and five private swimming pools. A county-wide recreational study has been completed and efforts are under way to implement a full scale county recreational program since the passage of a recreation bond issue in May, 1972.

CLUBS AND ORGANIZATIONS: Principal civic and fraternal clubs of Roxboro are: Rotary, Exchange, Jaycees, Jaycettes, Civitan, Lions, Woman's Club, Business and Professional Women, Kiwanis, American Legion, V.F.W., Amvets, V.F.W. Auxiliary, Chamber of Commerce, Merchants Association, Garden Clubs, Masons, Person County Saddle Club and Optimist.

BANKS: There are two banks and two building and loan companies in the community and all four offer a wide range of modern commercial banking services. Central Carolina Bank and Trust Company, and First Union National Bank of North Carolina have combined resources of $1,255,292,820. The Roxboro Savings & Loan (local) and the Home Savings & Loan (branch of the Durham, N.C. office) have combined assets of $60,000,000 plus.

MOTELS: The Timberlane Motel has 34 rooms and the Dolly Madison Motel has 24 rooms. Both have modern restaurants.

NEWSPAPERS: News service for the city is provided locally by the Courier-Times, a biweekly; and out-of-town newspapers are the Durham Herald, Durham Sun, The Greensboro Daily News and the Raleigh News-Observer.

RADIO AND TELEVISION: Radio Station WRXO is located in Roxboro and is supported in coverage by stations at nearby Durham and Raleigh. Excellent television reception is received from stations in Durham, Greensboro, Raleigh and Roanoke.

SHOPPING FACILITIES: Roxboro is an important wholesale and retail shopping center for Person County and adjoining areas. Aside from wholesale outlets, the city presently has over eighty retail establishments and eight quality restaurants.

Two five-acre shopping centers are conveniently located on Madison Boulevard.

HOUSING: There are several large sub-divisions in the Roxboro area where lots can be purchased at a cost range from $1,000 to $3,000 plus. Some new homes are available for sale and the per foot construction cost for new homes range from $10 to $20 per square foot.

One hundred and fifty public housing units have been constructed and are being occupied. Additional public housing is planned in the near future, as well as apartment complexes for middle income residents.

WESTFIELD PLAZA AND WOODY VILLAGE SHOPPING CENTER

LABOR

Both the established and new industries of Roxboro give their employees good records in dependability, aptitude and dexterity.

The locality has never had any form of labor strife and only one area industry operates under a union contract.

The local North Carolina Employment Security Commission office serving the area estimates that there are 1,300 persons, mostly female, who possess manufacturing job experience or are considered trainable in the area.

EXISTING INDUSTRIES: The industrial economy of the city of Roxboro and Person County is well-diversified by small manufacturing plants producing such a wide range of items as textiles, cotton yarns, lumber products, toy cloth, upholstery fabrics, rugs, velvets, parachutes, life saving equipment, ornamental watch stands, brooms, aluminum siding, storm doors and windows, mops, pillows, cane syrup, wood handles, value cores and related parts, and fertilizer.

TAXES

The State of North Carolina collects—from both corporations and individuals—taxes on incomes, intangibles, inheritances, business licenses, the sale or use of tangible personal property, and sales of gasoline. Corporations must pay state franchise taxes and taxes on the incorporation of domestic corporations or the granting of authority for foreign corporations to transact business.

North Carolina has no stock transfer or documentary tax. The counties collect a real estate transfer tax.

The state and most cities exact motor vehicle license fees.

North Carolina cities and counties levy property and business license taxes on corporations and individuals and levy poll taxes on individuals.

Property Tax

The principal source of city and county revenue is a property tax on real estate and tangible personal property. No property tax is levied by the state.

In 1969, Person County levied a property tax of $1.15 per $100 valuation and the city of Roxboro levied a property tax of $1.45 per $100 valuation. Real estate is appraised at fair market value and assessed at 65% of the appraised value. Thus, the total property tax levy would be $2.60 per $100 assessed valuation in Roxboro, or $1.15 per $100 assessed valuation outside the city limits of Roxboro.

Appraised Fair Market Value	60% of Appraised Value	Total Tax Roxboro	Total Tax Person County
$10,000	$6,000	$156.00	$61.15

Incorporation or Domestication Fees

Domestic corporations incorporated under North Carolina law and foreign corporations doing business in this state under a certificate of authority must pay a state tax of $0.40 per $1,000 of their entire (unapportioned) authorized capital stock, the minimum tax being $40. The tax on a domestic corporation is limited to $1,000 on incorporation and on each increase in authorized capital stock. Foreign corporations pay a minimum tax of $500.

A filing fee of $5 must be paid for the filing of articles of incorporation, certificates of authority, and amendments thereto.

Franchise Tax

A state franchise tax is levied on business corporations at the rate of $1.50 per $1,000 of the largest of three alternate bases. These bases are:

(a) The portion of the outstanding capital stock, surplus, and undivided profits apportionable to this state by formula.

(b) The assessed value of property in this state, including intangible property subject to taxation; or

(c) The book value of real and tangible personal property in this state, less any debt outstanding that was created to acquire or improve real property in the state.

Income Tax

A state income tax of 6 per cent is levied on the portion of net taxable income allocable and apportionable to this state. Corporations taxable both within and without the state apportion business income by use of the apportionment formula under the franchise tax. Other corporations do not apportion. Interest, dividend, and royalty income constituting non-business income is specifically allocated to the state of commercial domicile. Non-business rental income is allocated to the location of the property.

Individual Income Tax

The state levies a tax on the incomes of individuals at the following rates:

First $2,000	3 per cent
Second $2,000	4 per cent
Third $2,000	5 per cent
Next $4,000	6 per cent
Over $10,000	7 per cent

Real Estate Transfer Tax

A real property transfer tax of $0.50 is levied on each $500 of the consideration paid for the property, less the amount of any liens. The tax must be paid to the register of deeds by the seller prior to registering the deed.

Sales and Use Taxes

North Carolina levies a sales tax on the retail sale or rental of tangible personal property. The rate is 3 per cent of total sale price except for motor vehicles (1½ per cent, with a maximum of $120). Tax exemptions are numerous, including packaging materials, materials to be combined in manufacture, etc. A use tax equivalent to the sales tax is imposed on the price of tangible personal property purchased outside the state for storage, use, or consumption in North Carolina, with credit given for sales tax paid North Carolina.

Intangibles Tax

A tax on the below-listed intangible items is collected by the state and distributed for the use of local governments:

Money on Deposit—A tax of $0.10 per $100 of average quarterly deposits having a taxable situs in North Carolina is deducted from deposits by banks. The tax may be credited against the corporate franchise tax.

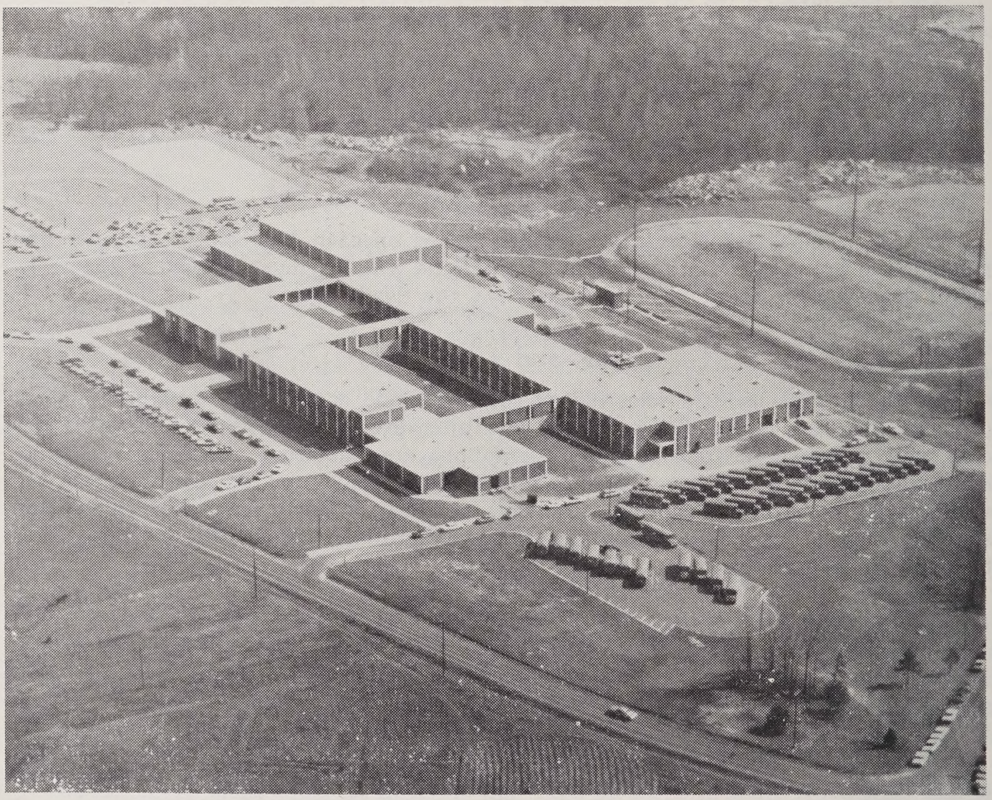
Accounts Receivable—Accounts receivable having a business or taxable situs within this state (without reduction for doubtful accounts), minus a pro rata part of accounts payable, are taxable at $0.25 per $100.

Notes, Bonds, and Other Evidences of Debt—A tax of $0.25 per $100 is levied on notes and bonds receivable and other evidences of debt having a taxable situs within this state. A deduction is allowed for like evidences of debt owed by the taxpayer.

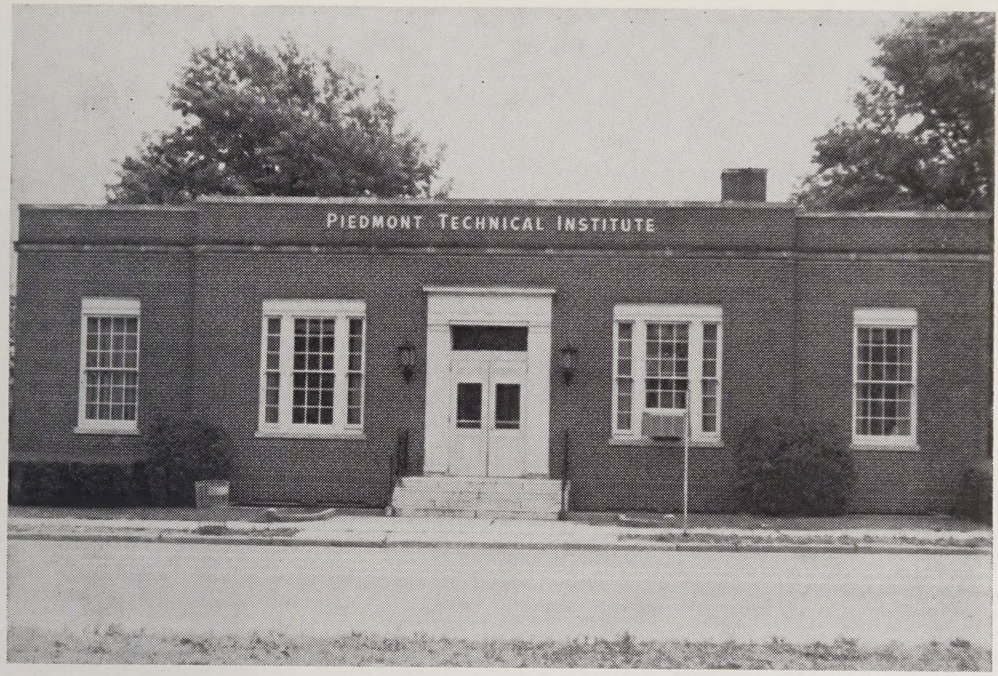
Shares of Stock and Interests in Trust—A tax of $0.25 per $100 of fair market value is levied on corporate shares and interests in foreign trusts. Corporate shares are tax exempt to the extent that the corporation's net income is taxable by North Carolina.

LOCAL TAXES: Property tax rates applicable to property in Roxboro, North Carolina are as follows: Person County levies a tax of $1.15 per $100 of assessed value. The town of Roxboro levies a tax at the rate of $1.45 per $100. Thus the total levy would be $2.60 per $100 of assessed value within the Town of Roxboro and $1.15 outside the municipal limits of Roxboro. Property is currently assessed at 65 per cent of market value.

SUMMARY: The major annual taxes levied on corporations by the State Government are a franchise tax, an income tax, and a sales (or use) tax on purchases which in the case of manufacturers is relatively light. The only significant local tax is the levy on real and tangible personal property by counties and municipalities. A minor uniform levy on net receivables is administered by the state for local governments.



PERSON SENIOR HIGH SCHOOL



PIEDMONT TECHNICAL INSTITUTE

EDUCATION

SCHOOLS: Person County has eight elementary schools, two junior high schools, and one senior high school serving both Roxboro and Person County under a consolidated 6-3-3 plan. The Person County School System is accredited by the Southern Association of Colleges and Secondary Schools. A vocational training program is offered to high school students of both sexes.

A Technical Institute has been established in Person County, and began operations September 1, 1970. A wide selection of full credit courses are offered, and over 1,400 students are enrolled.

Within 45 miles of Roxboro are three schools of higher education offering a wide range of liberal arts, engineering, medical, and agricultural courses. These three schools are: Duke University at Durham; University of North Carolina at Chapel Hill; and North Carolina State College at Raleigh.

The Research Triangle Park of North Carolina is one of the nation's newest planned developments for industrial and governmental research. Located in the rolling Piedmont countryside, only 100 air-minutes from New York, the park is over 5,000 acres in size.

The park is located in the center of the Research Triangle area of North Carolina, formed by Duke University at Durham, State College in Raleigh, and the University of North Carolina at Chapel Hill. The park is less than 15 miles from any of these campuses, and therefore in an area of intensive intellectual and cultural activity. Centrally located in the park is the 250-acre campus of the Research Triangle Institute, providing research services to foundations, industries, and government agencies in wide areas of the physical sciences, engineering, statistics and economics.

TRANSPORTATION

RAIL SERVICE: Rail transportation for the city of Roxboro is furnished by the Norfolk and Western Railway Company, one of the major rail systems serving the East and Midwest. Its principal lines extend westward from Norfolk, Virginia, through Virginia, West Virginia and Ohio to Lake Erie, where they extend northeastward along both shores of Lake Erie to Buffalo, New York, and eastward to Connellsville, Pa. From the south shore of Lake Erie, the N&W's lines extend westward through the states of Ohio and Indiana to Chicago and Peoria, Illinois; Des Moines, Iowa; Omaha, Nebraska; and Kansas City and St. Louis, Missouri. N&W lines also reach Durham and Winston-Salem, North Carolina; Bristol and Norton, Virginia; Hagerstown, Maryland and Cincinnati, Ohio.

Daily freight service at Roxboro is handled by two scheduled trains operating between the primary terminal points of Durham, North Carolina and Lynchburg, Virginia.

Delivery time and freight rates on rail shipments between Roxboro and specified destinations, or origins, will be furnished upon request to the Industrial Development Department of the Railway in Roanoke, Virginia.

AIR SERVICE: Commercial airports serving Roxboro are located at Danville, Virginia and between Durham and Raleigh, North Carolina.

The Danville Municipal Airport, located 30 minutes northwest of Roxboro, handles scheduled flights of Eastern, five flights daily, and Piedmont Airlines, two flights daily.

The Raleigh-Durham Airport, located 50 minutes south of Roxboro, is served by scheduled flights of Eastern, Piedmont, United and Delta Airlines.

A privately-owned airport is located three miles north of Roxboro and would be available to private or company-owned planes.

Preliminary plans have already been completed for a local airport to be constructed here in Person County. An engineering survey has been authorized, and an option has been taken on at least two tracts of land for possible sites. Federal approval is expected soon, and the airport should be completed in the near future.

ROXBORO DEVELOPMENT CORPORATION

The Roxboro Development Corporation was organized in 1953, as a nonprofit organization by the Roxboro Area Chamber of Commerce, to secure additional industry for the city and surrounding Person County.

This organization has been instrumental in securing several new manufacturing firms for the area and stands ready to help secure suitable land and assist in financing buildings for any reputable firm.

Numerical Telephone Directory

1973

Containing a list of telephone subscribers arranged in numerical sequence. The information listed below was obtained by a house-to-house canvass and is offered for the convenience of subscribers to the City Directory. The Publishers are very careful in using these numbers but do not assume any responsibility in case of error. Since telephone numbers change rapidly, it is suggested that persons using this list refer to the latest edition of the regular telephone directory issued by the local telephone company in order to verify the information contained herein.
